

CMC Beretta First Responder Personal Purchase Program

Effective August 1, 2018

CMC Government Supply recognizes the importance of supporting and assisting the individual law enforcement or security officer and other qualified first responders with this special discount purchasing program. CMC Government Supply offers special discount pricing as a way of assisting federal agents, individual law enforcement and/or security officers, military personnel and qualified first responders to purchase their individual firearms. All firearms purchased on this program are not eligible for any other discounts or rebates.

Qualified purchasers for this program include:

- All sworn Law Enforcement Officers, including city, county, and state
- All Federal Law Enforcement Officers
- All Corrections Officers, including Parole and Probation Officers
- All retired Law Enforcement Officers with retired credentials
- State licensed Security Company Officers
- State Licensed Para-Medics and EMTs
- Fire Fighters (including volunteers)
- Court Judges
- District Attorneys and Deputy District Attorneys
- Active U.S. Military personnel all branches
- Retired U.S. Military personnel all branches

HOW TO ORDER

You can submit a completed and signed order form (attached) with your payment, a signed copy of your firearms dealers FFL, a legible copy of the front and back of your Driver's License, an original signed Individual First Responder or Military / Federal Officer Verification form (attached) and the front and back of your Federal or State Issued ID and credentials. All orders subject to approval and verification by Beretta. Most Beretta FRP orders ship in 2-8 weeks.

Federal law requires us to transfer this firearm to a Federal Firearms Licensed dealer in your area for delivery to you. Most pawn shops or local gun stores will provide this service to Law Enforcement free or for a small fee to process the paperwork and background check as required by law.

The process is simple:

- 1) MAKE SURE THE SPECIFIC FIREARM AND MAGAZINES YOU WANT TO PURCHASE ARE LEGAL TO OWN IN YOUR AREA. Once a firearm has been ordered and assigned to you they cannot be returned. Most local licensed firearms dealers can advise you. CMC cannot tell you if any of the Beretta firearms are legal to own anywhere in the United States.
- 2) Locate a local pawn shop or gun store we can ship your firearm purchase to. Get a clean, legible signed copy of their current Federal Firearms License. We can only ship your purchase to the address on the FFL. Make sure you send us a copy of their FFL that has been signed by the same person who signed the original FFL. Some FFL dealers may prefer to send us their FFL directly. This is OK, provided they also send us a copy of your ID, credentials and other required

documents with it.

- 3) Complete and sign the attached order form.
- 4) Submit a completed and signed order form (attached) with your payment, a signed copy of your firearms dealers FFL, a legible copy of the front and back of your Driver's License, an original signed Individual First Responder or Military / Federal Officer Verification form (attached) and the front and back of your Federal or State Issued ID and eligibility credentials and we will process and ship your order to the dealer for delivery to you. Most Beretta FRP orders ship in 2-8 weeks. You can send it to us via regular US Mail, FedEx or UPS overnight, FAX it to (214) 889-5180 or scan & email it to us at orders@cmcgov.com. To avoid order processing errors, we must receive all paperwork together. We cannot match paperwork submitted separately.
